Safety 2019 in New Orleans - are you going?

Lunch on Monday - Don't forget to register for the Chapter Recognition Luncheon - you'll be able to cheer on the Northwest Chapter!

Bash on the Bayou - ASSP is holding an all-attendee event you won't want to miss. There may be parading involved... an idea to find other Northwest Chapter members is to wear something that represents our home area, it's New Orleans so get creative! Dress like a Viking, add some flannel (careful, it’ll be hot and humid), or a fishing vest. It'll be a great time to network with fellow ASSP members from around the world and catch up with Northwest Chapter members you wish you saw more often. Laissez les bon temps rouler! (pronounced "Lay-say le bon tom roo-lay" and it just means "let the good times roll")

GOVERNMENT AFFAIRS

MINNESOTA

Abby Ferri - Northwest Chapter President Elect, attended a hearing on Wed. March 27th in which Tom Goeltz testified in favor of HF104, a MN House bill to increase penalties for those causing traffic incidents while distracted by a cell phone. MN KARE11 news carried a great summary of the hearing, the bill's progress, and Tom's testimony.

A letter was provided to the Transportation Committee prior to this hearing on behalf of ASSP Northwest Chapter in favor of HF104 and related distracted driving bills. This letter process and presence at the hearings will continue until the bills are passed.

Any ASSP Northwest members are welcome to attend the hearings in support and/or call or email their representatives individually. News of upcoming hearings will be posted in the ASSP Northwest LinkedIn group, Facebook page, and Twitter feed.
