PRESIDENT'S MESSAGE

The PDC was an amazing day! There were so many new faces, and I hope we will see many of you again at future chapter events and among the future chapter board.

Thank you so much to our Chapter PDC planning committee, Chapter board, event sponsors, event exhibitors, and Mystic Lake staff!

Please make sure to complete the feedback surveys if you attended, it's really simple, please use the link:

tinyurl.com/assp2020session
Our next meeting is Tuesday March 10, 2020 at Ergodyne with Dr. Kirk Smith from the MN Department of Health presenting on Foodborne disease outbreak detection and investigation in the United States.

Society elections run March 1-31, and Chapter elections will occur soon after - watch your email!!

The Chapter has several positions open, please contact Kurt VonRueden for more info:
- Vice President (3 year term)
- Treasurer (3 year term)
- Member at Large (3 positions - 2 year term)

As always, if you have any questions, please reach out!

Thank you,

Abby Ferri

ASSP Northwest Chapter President

UPCOMING EVENTS

March Chapter Meeting – Foodborne Disease Outbreak Detection and Investigation

Tuesday, March 10 | 11:30 am - 1:30 pm | 
Host & Location | Ergodyne
1021 Bandana Square, St. Paul, Minnesota, 55108

Speaker | Stephanie Meyer, MPH
Stephanie Meyer has worked in food safety since 1998. She obtained a BS degree in Microbiology from Iowa State University and a Master of Public Health degree in Epidemiology from the University of Minnesota. She has worked at the Minnesota Department of Health as an epidemiologist in the Infectious Disease Epidemiology, Prevention, and Control Division since 2003. She also serves as adjunct faculty at the University of Minnesota, School of Public Health and teaches food safety classes in the Summer Public Health Institute. Ms. Meyer has led numerous outbreak investigations at the national and local level and has conducted multiple trainings and workshops as part of the Minnesota Integrated Food Safety Center of Excellence.

**Judges needed for Capstone Showcase Presentation Day at Farnsworth Aerospace Upper Middle School, St. Paul, MN**

**Wednesday, May 20, 2020**

Judges are needed for the school's capstone project showcase. The event is a showcase of Students' work at Farnsworth Aerospace Upper. Students and staff work together in small groups to complete projects that exemplify not only content specific topics, but also show how the school is integrating Aerospace into teaching and learning. Student presentations showcase their content and aerospace knowledge, but also their creativity and personal interests.
To get involved, please contact Michael Richards, 6-8th grade science at Farnsworth Aerospace Upper:

651-293-8880 ext. 46749

michael.richards@spps.org
