### ATTENTION STUDENTS!

We now have a special opportunity to allow students in our two student sections to do virtual attendance of monthly meetings for free! All that is required is for the student to register using normal procedures on the Northwest Chapter website. The student doing the registration can obtain the promotion code from their appropriate school ASSP Northwest Chapter contact. Registration must include an email address that is school-provided, not a personal email and it applies to ONLY virtual meetings. If attending in-person, normal rates apply.
